October 29, 2013

Tuesday's Board of Supervisors agenda contained some good news pieces. We approved an application to the Virginia Department of Transportation FY2015 Transportation Alternatives Program for improvements along Old Courthouse Road. Westbriar Elementary School PTA and Fairfax County Public Schools identified a list of road and sidewalk projects that will improve the connectivity to the school by completing gaps in the sidewalks. We also approved introductory rates for the new bike storage room at the Wiehle Metro station. Early subscribers will get reduced rates for their annual membership to the bike storage areas.

Coming up in the Hunter Mill District, please consider supporting our collection efforts for a military unit currently serving in Afghanistan. This unit has a local connection as the commanding officer is a Reston native and graduate of South Lakes High School. (See Announcements below for items and collection opportunities.) Your contributions and letters will be greatly appreciated by our troops and provide them with a little hometown cheer for the holidays.

Be sure to get in touch with the [Hunter Mill District Office](#), 703-478-0283, if you have any questions or concerns.

*Best wishes for a safe and **HAPPY HALLOWEEN!***
